"QUESTION: Okay."

"ANSWER: And answering your original question, without reviewing the document, I don't know why."

"QUESTION: As you understand the procedure, would it typically occur that a supervisor in front-end collections would have an account come across her screen that's older than 90 days?"

"ANSWER: We don't know what the delinquency level of the account was in May of '95."

"QUESTION: If indeed the delinquency level, as you referred to it, was greater than 90 days, according to service
